

Miramar Megacenter Park Launches New Development with Lease to National Tenant

Miami, FL – June 8th, 2018

Miramar Megacenter Park, a 14-acre master planned Business Park, announces the launch of it's newest development with a 35,000 SF lease to **Flite Line LLC**, a national airline product company,

Casal Group, led by team members **Ernesto Casal** and **Luis Marquez**, represented the Landlord in the lease of the industrial warehouse space at Building D of the park.

The lease to Flite Line marks the first lease at the newly presented business park, which offered the tenant a headquarter building in a centralized location.

Miramar Megacenter Park is strategically located with Florida's Turnpike frontage and excellent access to every major highway in South Florida. The property offers industrial warehouses, office space, and build-to-suit opportunities ranging from 8,000 – 60,000 SF.
